

APPLICATION FORM

The Society of Southwestern Entomologists (formerly the Southwestern Entomological Society) was organized in 1976 with the objective of fostering entomological accomplishment in the southwestern US and Mexico. A primary function of the Society is the publication of the Southwestern Entomologist journal which is published quarterly (March, June, September and December). Membership in the Society includes a subscription to the Southwestern Entomologist and Supplements. Members also enjoy a reduced page charge rate for publishing in the Southwestern Entomologist. Membership is \$20.00 per calendar year.

Complete this application and return it to the address below with a check for \$20.00 (US dollars, money order or check drawn on a US bank, no credit cards) payable to the Society of Southwestern Entomologists.

SOCIETY OF SOUTHWESTERN ENTOMOLOGISTS

The Society of Southwestern Entomologists (formerly the Southwestern Entomological Society) was formed in 1976. The objective of the society is to foster entomological accomplishment through publication of the Southwestern Entomologist.

SOUTHWESTERN ENTOMOLOGIST

A quarterly journal published by

SOCIETY OF SOUTHWESTERN ENTOMOLOGISTS

<http://sswe.tamu.edu>

- Membership in the Society for Southwestern Entomologists Southwestern Entomological Society includes subscription to the Southwestern Entomologist. Dues are \$20.00 per year for individuals and \$ \$20.00 for institutions.
- Published quarterly in March, June, September, and December.
- Journal page charges are \$40.00 per page for members and \$45.00 per page for non-members.
- Guidelines for preparation of manuscripts are published in the September issue each year and are available from the Editor.
- Manuscripts may be submitted in either English or Spanish. Contact Julio Bernal for Spanish language manuscript.
- All manuscripts are subjected to peer review. Manuscripts involving all aspects of entomology will be considered.
- Full length research articles have and abstract, introduction, materials and methods, results and discussion, and literature cited sections.
- A special section entitled “Perspective” is available for contributions of general interest with an emphasis on papers of a theoretical or historical nature.

- Scientific notes concerning important observations and new techniques are considered for publication.

- In addition to quarterly issues, full length supplements are occasionally published. Supplements treat specific topics in depth and may contain multiple manuscripts. Some examples are:

The Use of Malathion ULV for Boll Weevil Eradication

Program Highlights of the Texas Imported Fire Ant Research Management Project

An Annotated Checklist of the Scarabaeoidea of Texas.
